What would be your budget range for you new kitchen? (in thousands £)

****Important****

Your budget is as important to us as it is to you and without it we are in danger of not providing you with the correct solution. YKC has a vast range which caters for all budgets, so it is vital we have an idea of what you want to spend at the beginning of the process. Your designer is trained to keep within these parameters without sacrificing the quality of the design and achieve the best results.

3-4 4-5 6-7 7-8 9-10 11-12 13-15 15-16 16-17
 17-18 18-19 20-22 22-24 24-26 26-30
